Jane Henney, M.D.  
Commissioner, FDA  
5600 Fishers Lane  
Rockville, MD 20857

Dear Dr. Henney,

As a consumer of organically grown produce, I am extremely concerned about genetically engineered foods. I, among many citizens of the U.S., demand the mandatory labeling of all genetically engineered foods. I would also wish to see a five year moratorium on the introduction of such foods to assure their safety for human consumption.

Sincerely,

*Carrie A. Pulia*
